Services

Products & Services

Design & Engineering

The technical office designs traditional and innovative packaging and printing, proposing various solutions and complying with high quality standard requirements.

Outsourced packaging

We strive to perform simple, rapid and functional packaging of products from various merchandise sectors customized to meet the widest range of customer demands.

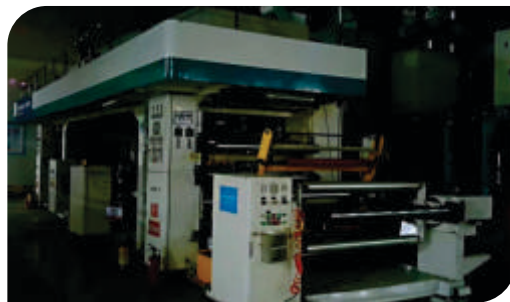

Packing

After packaging, we pack the products to guarantee maximum protection, and stack them on pallets according to customer requirements.

Logistics

On completing the product production and packaging phases, we also store the products and organise relative shipments
